Dear Congresswoman Pelosi:

Thank you for your October 17, 2016, letter regarding the integrity of data delivered by Tetra Tech to the Navy at the Hunters Point Naval Shipyard, and supporting Mayor Lee and Supervisor Cohen's request for a briefing with EPA leadership. I appreciate your interest in the cleanup and transfer process of this site.

EPA Region IX is happy to meet with Mayor Lee and Supervisor Cohen to discuss EPA's oversight of the Shipyard cleanup and transfer process. We have been in touch with Mayor Lee's office to schedule the briefing, and we expect to finalize the logistics shortly.

We share your interest in the integrity of data to support sound cleanup decisions and look forward to the briefing. If you have any questions, please contact me, or your staff may reach out to our Congressional Liaison, Brent Maier, at 415.947.4256 or at maier.brent@epa.gov

Sincerely,
